Become a High Calibre Educator in an International School Setting

The Bachelor of Education (Hons) programme is designed to enable students to successfully master a teaching qualification with specialisations in Mathematics, Teaching English as Second Language (TESL) or Bahasa Melayu. The programme aims to provide future teachers or trainees with the knowledge and experiences, practical skills, accountability and ethics; as well as be able to challenge themselves with various demands in enhancing their career. Even before you enter the job market.

UNITAR's Bachelor of Education qualification will provide you with immersion in real word projects which will help you gain hands-on exposure. In addition, you will be provided with opportunities to undergo internships and practical experiences with industry players and gain unparalleled insights into the focus areas of your choice.

Career Prospects

- International / Private School Teacher
- Language Instructor
- Education Management (Principal, Registrar, Sales)
- Education Entrepreneur (Book Writers, Operate and Manage Education Centres)

Areas of Knowledge
