Intakes
• January, April and September

Academic Schedule
• January : 9 weeks*
• April : 17 weeks*
• September : 17 weeks*

**Inclusive of exam period.*

Be Able to Creatively Design Sustainable Interior Environments

The Diploma in Interior Design programme teaches students the skills to design interior spaces that can be functional and at the same time bring out the aesthetic values of that space. With computer-aided 3D modelling in the studio, students will also learn how to keep up with interior design trends, use digital and manual means to conduct research, and recommend design alterations and renovations that give buildings a new lease of life.

Career Prospects

- Interior Designer
- Furniture Designer
- Retail Designer
- Sales Designer
