

LOOKBOOK 2024

A collection of our Diploma in Fashion Design students' creative inspirations. Their work reflects innovative designs, artistic expressions, and unique fashion concepts. Each student's collection is a testament to their style and creativity, drawing from various cultural, historical, and contemporary influences.

RESILIENT ELEGANCE

Elysa Naim Mazalan

Diploma in Fashion Design

Resilient Elegance inspired by the elegance, determination, and unity that marked this pivotal time in history, this fashion collection titled 'Resilient Elegance' pays tribute to the courage, resilience, and style of the brave men and women who took their place in fashion and life with strength.

Each of the garments in this collection combines the best of past tailor-inspired fashion with the bold modern-day vibe that this collection is trying to portray for today. We bring something unique for this time with a modern twist. It's all about showing how heroic, strong, and durable we are.

UNBOUNDED FUTURISM

Nurul Sarah Yazid

Diploma in Fashion Design

Unbounded Futurism drive into the uncharted realms of the future with this fashion collection.

This avantgarde street style collection is a fusion of cyberpunk aesthetics and the visionary architecture of Zaha Hadid creating a bold and captivating fashion statement that propels into an era where boundaries cease to exist

WARM HUG

**Nur Iman Awadah Nur Muhammad
Ghazzani**

Diploma in Fashion Design

The Warm Hugs collection is an homage to the comforting embrace of nature and the spirit of wilderness, drawing inspiration from the rugged beauty of grizzly bears and the cozy warmth of their habitat.

This line of clothing is crafted to envelop wearers in a sense of security and adventure.

EVILDOER

Amira Shazleeya Shahrizal

Diploma in Fashion Design

Unleash the enigmatic and audacious spirit of fashion with *EVILDOER*, a daring collection that seamlessly merges the surreal artistry of cubism with the captivating aura of the Queen of Hearts.

This collection weaves a bold narrative of mystery, power, and undeniable allure, redefining fashion with an avant-garde twist that commands attention and leaves an indelible impression.

FULL OF WOE

Lavanya Chandran

Diploma in Fashion Design

Full of Woe collection inspired by the mysterious aura of Wednesday and the classic elegance of Coco Chanel's 2023/2024 line, "Full of Woe" merges edgy minimalism with timeless sophistication.

Crafted from chunky knit and airy silk organza, this spring-summer collection balances structure and fluidity. A primarily black-and-white palette echoes Wednesday's iconic style, offering a modern, wearable tribute to her dark allure with Chanel's refined influence.

LA VIE EN GOLD

Miza Sahira bt Mokhtar

Diploma in Fashion Design

La Vie en Gold is a collection inspired by the opulence and intricate beauty of Rococo architecture. The designs incorporate duchess satin and satin fabrics, chosen for their soft, smooth textures and ability to evoke an expensive, luxurious feel reminiscent of fine jewellery.

This collection showcases elegance through carefully crafted drapes and pattern manipulation, bringing the grandeur of Rococo into modern fashion with a touch of sophistication and artistic finesse.

KNIGHT'S CALL

Lieya Zulaiqa Sazali

Diploma in Fashion Design

Knigh's Call digital comic inspired from the iconic world of Batman, this fall/winter collection merges graphic storytelling with modern fashion. Each puffy jacket in the collection features bold, digitally rendered comic designs, bringing Batman's emotional intensity and dynamic action scenes to life.

The smart casual aesthetic combines streetwear sensibilities with cinematic art, creating statement pieces that not only offer warmth and artistic but also evoke the power and drama of Gotham's most iconic hero.

XIANTAU YISHU

Nur Ezlin Kamaruzaman

Diploma in Fashion Design

Xiantau Yishu exploring the depths of human expression, the *Emotions* collection captures the essence of happiness, sadness, and anger through minimalist line art. Each piece in this smart casual line features a unique face, defined by clean, expressive lines that tell a story of emotion and identity.

By translating raw feelings into wearable art, this collection celebrates the beauty of authentic self-expression, offering pieces that are both stylish and thought-provoking.

OCEAN WAVES

Kirutika Tehakaragan

Diploma in Fashion Design

Ocean Waves capturing the serene beauty and dynamic movement of the ocean, this collection blends fluidity with structure to evoke the essence of waves in motion. Each piece features a custom digital print inspired by water droplets, layered onto translucent organza to reflect the ocean's gentle transparency.

The dresses are accentuated with denim-thread detailing, symbolizing the strength and resilience within each wave. This collection is an homage to the sea's elegance and power, offering a unique, ethereal experience that brings the ocean's timeless allure into eveningwear.

CHATURANGA

Nor Basirah Othman

Diploma in Fashion Design

Chaturanga boldly inspired by the timeless game of chess, this smart casual collection combines elegance and intellect, celebrating the power of strategy and style. Each piece in the collection is crafted with custom-printed fabric echoing the chessboard's intricate patterns, while the silhouette and structure reflect the iconic shapes of chess pieces from the strength of the rook to the grace of the queen.

This collection is designed to bring a sense of sophistication and purposeful movement to artistic wear, blending classic game-inspired details with modern fashion.

AMPHITRITE

Anis Syafiqah Ahmad Soupian

Diploma in Fashion Design

Amphirite embodies the mystique and ethereal beauty of the sea dragon, this avantgarde collection brings mythical creatures to life through the fluidity of design and the translucence of organdie material. Digital motifs inspired by the sea dragon's visibility in the ocean are intricately printed on delicate fabrics, capturing the creatures' graceful, almost otherworldly presence.

The flowing movement of each piece mirrors the sea dragon's fluidity as it glides through water, creating a dramatic yet captivating visual narrative that combines fantasy, nature, and cutting-edge fashion.

FUSCHIA SCHONE FRAU

Nurul Shafira Dachi

Diploma in Fashion Design

Fuschia Shone Frau embodying the iconic allure of Barbie, this evening wear collection merges nostalgia with contemporary elegance, showcasing puffy, feminine silhouettes that capture the playful yet sophisticated spirit of Barbie. With a striking palette of shocking pink and delicate touches of soft pink and white, each piece features organza and taffeta fabrics that bring volume, lightness, and movement to life.

This collection is designed for those who embrace their inner style icon, adding a sense of glamour and bold femininity to evening attire.

NEW JEANERATION

Dina Munawwarah Ahmad Fauzi

Diploma in Fashion Design

New Jeaneration infused with the vibrant energy of New Jeans, the popular Korean music group, this collection celebrates the spirit of youth culture and digital innovation. Each piece combines classic denim with playful, digitally printed designs inspired by New Jeans' distinct logo and aesthetic. Bold colours and graphic prints reinterpret casual jeanswear, transforming it into a statement of personality and modern style.

This collection captures the essence of pop culture with a casual, wearable look that resonates with fans and fashion-forward individuals alike.
